Event Etiquette & Conduct Guidelines

Welcome to the National Qualifier (NQ) 2026 organized by the Hyderabad Polo and Riding Club (HPRC) in association with the Telangana State Equestrian Association (TSEA) under the aegis of the Equestrian Federation of India (EFI). To ensure a professional, safe, and enjoyable experience for all participants, visitors, and our equine athletes, we kindly ask that you adhere to the following code of conduct. Your cooperation is essential for the smooth and efficient running of this competition.

1. Facilities and Hygiene

Category	Guidelines
Changing Rooms	All changing must be done strictly within the designated changing rooms. Please do not change in public areas, stables, or horse trailers.
Restrooms	Please use the provided restroom facilities. Urinating in stables, behind buildings, or any other non-designated areas of the club is strictly prohibited and disrespectful to the venue.
Waste Management	Do not litter. All trash must be disposed of responsibly in the clearly marked bins located throughout the grounds. If a bin is full, please notify staff rather than leaving items beside it.

2. Movement and Access

- **Designated Areas:** Movement is restricted to designated spectator areas, pathways, and warm-up zones. Access to stables, official booths, and the competition arena is limited to authorized personnel and active competitors only.
- **Safety First:** Always yield to horses. When walking near horses, stay alert, keep a safe distance, and avoid sudden movements or loud noises that may startle them.

- **Children and Pets:** Children must be supervised at all times. Pets must be kept on a short lead and any waste must be cleaned up immediately.

3. Attire and Presentation

Maintaining the tradition and professional atmosphere of equestrian sports is vital. All attendees are expected to be decently presented at all times.

- **Competitors:** Must adhere strictly to the dress code specified by the governing body (e.g., breeches, boots, helmets, and competition jackets).
- **Visitors/Grooms:** Recommended smart-casual attire. Practical footwear is essential; open-toed shoes or flip-flops are discouraged for safety reasons.
